Sail Away 2021 Cancelled

Once again, Sail Away was not to be. This was not an easy decision to make, but the safety of our participants is our primary concern.

We're still going to Cruise Into Painting. We'll just take a little longer to get there. Please mark your calendars for March 10-13, 2022. After such a long wait, we will all be so happy to finally have this time together!

Hello My Painting Friends,

It is with a very heavy heart and some relief that chapter members voted to postpone our 2021 Sail Away for another year. Our dates for 2022 are in early March because the hotel is already booked for all of April. Thanks to Carolyn Troy for working with the hotel and the board to make plans for 2022.

Thanks to Carolyn Troy for doing the yearly audit of our financial records. Linda Walls continues to do a fantastic job of taking care of our money. All of our board members deserve our thanks for everything they do for our chapter in these uncertain times. The chapter needs good leadership. As I informed members at the last meeting, I will not be continuing as president after this year so please consider taking up this role for the chapter. I will help in any way I can.

Our next zoom chapter meeting is Saturday, March 13, 2021 at 10:00AM. We will keep the zoom room open for at least an hour after the meeting so we can visit and paint UFO's together. You will receive an email invitation from me the day before the meeting. I hope to "see" you there!

Paint with Joy,
Debbie Reeder

Once again, we would like make donations to either LARS and GRASSROOTS for our Spring Community Service. In December, our check and cash donations to these two organizations were greatly appreciated, and especially needed because of the COVID Crisis. We are asking if you would kindly make a donation payable to either one of these two services for our Spring collection, with a deadline of May 1. Please send your donation to either Carole Shuey or Linda Brandt at the addresses below:

Carole Shuey
9206 Briarchip Street
Laurel, MD 20708

Linda Brandt
426 Ridgeview Court
Arnold, MD 21012

Thanks again, for your generosity in helping these organizations meet the needs of folks in our communities.

Programs & Seminars

Chapter projects and paint-ins continue to remain on hold. I am keeping my hopes up things will open soon and we will be able to hold in person classes. In the meantime for our March Chapter meeting we are going to keep the zoom call open after the chapter meeting for an hour or two for members to visit, chit chat and work on one of your UFOs for a while.

We are continuing working on the figuring out the technical aspects of setting up some of the chapter projects we have on deck for future meetings. Unfortunately we were unsuccessful in setting up one of the document cameras with Zoom. Also, Ann Davis is available to do another Zoom Paint-in on Saturday, April 3rd, the day before Easter. At the March meeting, we will be asking members if they are interested and available, Here is a photo of the project she is proposing, which is an ideal Spring piece:

Upcoming Seminars:

Mark Mendendez Seminar - June 25-26, 2021

I'm keeping my fingers crossed we will be able to hold this seminar at the church in Laurel. I will reach out to Mark next month and let them know where we are with things opening here in Maryland and see if they are comfortable traveling. I will also explore the possibility of having this seminar on Zoom if we are unable to get together. Once I know which direction we are going I will email all those who registered in 2020 and give you an opportunity to secure your seat(s) by sending me a new check by a certain date. After that date I will reopen registration to members and non members.

Linda Sharp, CDA - June 17-18, 2022

Happy painting!

Robin

Membership Corner

I am honored to continue as the 2nd Vice President for 2021. As I start to write this, it is ground hog day. Phil says we will have six more weeks of winter weather. It is also a metaphorical ground hog day. Every day can seem the same as we social distance and stay home. It looks like it may still be a while before we can meet in person. Let's try to break out of the rut. I challenge each of you to send a card or note to another member of the chapter. Perhaps someone you sat next to the last time we were together. Or maybe someone you have never met. I will send out a current list of member names and addresses. I'll bet that seeing something in the mailbox will brighten someone's day.

Pat Fagan shared these three pieces she painted in classes with Kay Witt. They are pastels and she loves working on this velour paper. Kay Witt plans to have another class in March, painting a Snow Leopard. Her FB page is KayWittFineart and her web page is KayWittFineArt.com, if anyone is interested in checking her out.

Kathy Anthony completed this piece earlier this year. He is called "Gnome on the Road". He was designed by Jeannetta Cimo.

Linda Brandt has been having fun painting these two herons. She also took a zoom class with Mark Menendez (below). She is a beginner with color pencils, but says Mark is a wonderful teacher and really walks you through the process step-by-step. She loved his class and will definitely take another one.

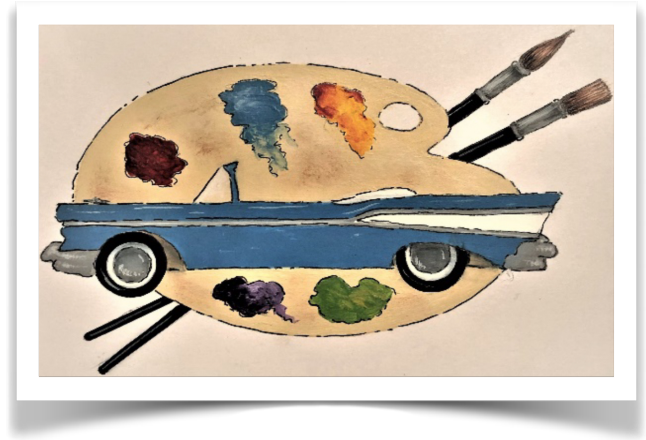

Lucy Jo Wirth hasn't done any painting for two years, but recently decided to try to get back into her painting room, so began with these ornaments and small things. She just finished this bluebird as a gift for a very helpful neighbor.

**Cruise Into Painting
Sail Away 2022
March 10 – 13, 2022**

Once again, Sail Away was not to be. This was not an easy decision to make, but the safety of our participants is our primary concern.

We're still going to Cruise Into Painting. We'll just take a little longer to get there. Make your plans for Sail Away 2022. We will all be so ready to paint with our friends and renew our painting passion.

Registration will be handled as follows:

YOU REGISTERED FOR 2020 AND DID NOT REQUEST A REFUND – You are registered for the same classes. (Some attendees selected different classes due to teacher cancellations. Debbie will contact you individually.)

YOU REGISTERED FOR 2020 AND REQUESTED A REFUND IN 2020 – You can register for any classes available. We will let you know when registration is open and which classes are still available.

YOU REGISTERED FOR 2020, ROLLED OVER YOUR REGISTRATION, AND CANCELLED IN 2021 – Debbie will contact you before your refund is processed.

YOU DID NOT REGISTER AT ALL - You can register for any classes available. We will let you know when registration is open and which classes are still available.

The registration brochure is available at www.CBDpainters.net

Thanks for your understanding during this difficult time. Looking forward to seeing everyone in Ocean City. We've waited so long for this event – let's make it a good one!

CBDP MONTHLY CHAPTER MEETING - February 13, 2020

Attendance: 23 (quorum present)

Meeting Called to Order at: 10:01 a.m.

Minutes: Motion to accept the January 9th minutes was passed. Carolyn Troy made a motion to approve and Faye Ganoë seconded the motion.

President's Report: Debbie Reeder welcomed everyone to the meeting. Debbie mentioned and showed a note card and SDP Foundation donation Pin from SDP. Debbie also showed the members a 2020 Survival Patch for our banner from SDP.

Treasurer's Report: Linda Walls reported, as of this date, the ending balances are:

Savings	\$ 5,143.90
Checking	17,666.09
Total	\$23,030.64

Both Linda and Debbie thanked Carolyn Troy for doing the audit of our books.

Membership: Paula Taylor confirmed that we currently have 69 members in our Chapter. Paula will mail out a new membership list to everyone.

Programs: Robin Pohlman once again thanked Ann Davis for providing our December Zoom Paint -In. And Ann has offered to do it again when we are ready. Several chapters are doing Zoom painting get-togethers. We will keep the Zoom room open for at least an hour after our March chapter meeting to work on UFO's together. We just need to explore the options of technology and have the proper equipment to present Zoom classes for our members.

Robin will check with Mark Menendez in March to see if we are a go with his seminar June 25-26, 2021. And then decide if we will reopen registration giving those who have already signed up an opportunity to keep their seat in the classes they have already signed up for and open it up for new registrations. If we are unable to gather in-person we will explore the possibility of a zoom class and work out details to get patterns and surfaces to everyone.

As of now, Linda Sharp seminar is still scheduled for June 17-18, 2022. Robin also mentioned that SDP is promoting a Tracy Moreau Paint-In in March and can receive a free project packet. Again, there was a discussion of us having Zoom Paint-Ins.

Newsletter: Barb Hoage ~ Next deadline is February 15th. Barb is still asking for members to send photo of their recent projects.

Committee Reports:

Ways and Means: We are still in need of a chairperson.

Mark Polomchak's original painting will be raffled off when we are back together in person. Carolyn Troy has also offered to donate a beautiful nativity chest for next raffle. We received wood and book donations from Linda Dickinson. Linda Walls has offered to store these items at her home and said if anyone had a need for something for a project to give her a call and she will see if it's in the donations. Kathy Anthony also mentioned she had lots of paints left over from her shop if anyone is in need of a color. Give her a call.

Memory Boxes: Erin Triplett ~ no report.

Sunshine: Linda Miller reported she has sent cards to several members. Linda mentioned it would be nice to reach out to past members just to let them know we are thinking of them.

Community Services: Carole Shuey and Linda Brandt are currently accepting checks for both LARS and GRASSROOTS and asking members that would like to donate to either of these organizations to send their checks to either Carole or Linda and they will deliver their checks. A deadline for this is May 1st.

Publicity: We are still in need of a Chairperson.

Birthday Luncheon: Is on hold until 2022.

CBDP MONTHLY CHAPTER MEETING - February 13, 2020 cont.

Sail Away: Carolyn Troy has been in touch with Laurie Hobday at the Clarion Hotel. The Hotel has made every effort to accommodate us for our up coming Sail Away. However, because of the COVID Pandemic a number of members and a few teachers have already cancelled their plans to attend. With this said a motion was made to once again cancel this event for 2021. Carolyn said the Hotel would be willing to reschedule this for March 2022 without any financial penalties. Carolyn Shelton made a motion to reschedule the Sail Away for March 2022 and Janet Davis seconded the Motion. Motion passed. Carolyn will contact the Hotel to get a date and Debbie will notify the teachers. Debbie will let all the folks that registered know that the Sail Away is cancelled and more information will be provided when available.

Old Business: Debbie said that the Chapter received Insurance Certificate from SDP.

New Business: Debbie mentioned a concern regarding an e-mail that may have come from her regarding purchasing SDP Gift Cards. This was definitely a SCAM. SDP has sent an email regarding personal information on Chapter Websites. A

discussion was made about having personal information removed from our contact pages. Debbie will ask John Triplett to remove the personal contact information and replace with the CBDP membership email. Paula can then forward any requests to the appropriate person. Debbie will also remove some pages from the newsletters before they are posted.

Announcements and Show and Tell: Again, some members shared their beautiful artwork and projects with members. Thanks for sharing.

Motion to Adjourn: Motions to adjourn our meeting was made by Kathy Anthony and seconded by Diane Crean.

Next Zoom Chapter Meeting: March 13, 2021 at 10:00 a.m.

Meeting Adjourned: 11:27 a.m.
