Hello My Painting Friends,

As I write this we would have been together at the ocean but am heartened by the vaccine rollout and a new Sail Away date for March 10-13, 2022! I have contacted all the attendees and am still waiting on three but with a few exceptions, all plan to attend in 2022. Good news! We will also be able to open registration for new attendees sometime in the fall.

If you are a Facebook user and have not already joined the SDP group SDP Artful Connections please consider joining. The SDP annual meeting will be held in that group on May 18 at 7:00pm and you are encouraged to attend virtually.

I belong to a Lisbeth Stull subscription group called "Sparkle and Shine" and in addition to painting projects there is also information to feed our wellbeing which has been helpful during the pandemic. Part of that is recognizing all the things for which we are grateful. My family is first but the second thing that always comes to my mind is CBDP and what its members mean to me and the difference they have made in my life. I am grateful for each and every one of you and for all the teachers who have taught me over the years. We painted "bright spots" to bring a little sunshine to someone special - or even to just leave them somewhere where a stranger will find them. You can find Lisbeth's class on painting these in the Facebook Group "Creative Innovations in Painting". Check it out!

I also need your help. I have asked over the last months at every meeting for a new chair for Ways and Means and am disappointed that no one has volunteered. We have also heard from the Anne Arundel County Fair and they are asking us to participate again. Anyone who is interested can contact me but I need someone to coordinate this activity. We will soon need a Nominating Committee chairperson too. I also want to remind you that I will not run for president again. I have been an officer of this chapter every year for over 20 years and I need a break for my mental health. It is not a hard job so please consider helping this chapter that means so much to me and to all of us.

Our next zoom chapter meeting is Saturday, May 8, 2021 at 10:00AM. You will receive an email invitation from me the day before the meeting. There is still no date when the libraries will open their meeting rooms so we may need to look into other options. We are looking forward to meeting in person in September.

Paint with Joy,
Debbie Reeder

Programs & Seminars

Thank you to Ann Davis for teaching Donna Hodson's Tulip project on April 3rd and providing the video for those that were not able to attend. Michelle Pollhein is going to teach her "I Belong to the Sea - Mermaid" chapter project via Zoom after the June 12th Chapter meeting. The class is being offered for free. The flyer for the class can be found in this newsletter. The deadline to register is May 29th, 2021.

I am remaining positive that we will be able to get together in September in person. Once we are sure that will happen I will be scheduling a project for after the meeting and provide information in the summer newsletter or in an email to the chapter.

Upcoming Seminars:

Linda Sharp, June 17-18, 2022

Mark Menendez rescheduled for October 2022 (date to be determine)

It is time to be thinking of which national teacher we would like to have in 2023. If you have anyone you would like to come to the chapter, please email with the name at paintinpal@aol.com.

Membership Corner

Hello my painting friends,

I am disappointed that once again we had to cancel Sail Away but now that more and more of us are being vaccinated, I hope the light is at the end of the tunnel. I think we will appreciate each other even more when we can be together again. I loved seeing the projects that some of you shared during our last Zoom meeting. Creative juices are still flowing and many of us have found ways to keep up with painting and staying in touch.

Our membership roster is still at 70. Please continue to tell your friends about our group. We will be back to meeting soon.

Keep being creative,

Paula Taylor
