## President’s Letter:

Hello My Painting Friends,

Fall is happening all around us and the changing leaves were spectacular on a recent hike in southern Anne Arundel County. I hope all of you are finding time to get outside and enjoy the scenery and weather. This month’s fortune cookie message I cracked open rings true: “More art in your life at this time will help you feel better.”

Despite my sore wrist I was able to complete all the painting projects for my nephew’s wedding in time to board the plane. I really needed to get the new eyeglasses before attempting the tiny scenes on checkers; to those viewers with great vision they probably strayed a tad toward Picasso. It really made me feel good to share myself through decorative painting with my family and the guests. Paula also painted for her daughter’s wedding and I can’t wait to hear all the details.

Our first club meeting back together after the summer featured the pot luck lunch and painting memory boxes with Robin Pohlman. Thanks to Erin Triplett for putting it all together and continuing to be the distribution and collection person for the memory boxes, and thanks to Robin for teaching. We were represented at the Anne Arundel County fair on September 17<sup>th</sup> by Kathy Anthony, Alice Dudley and myself, demonstrating decorative painting, answering questions from the public, and having fun.

October’s meeting featured elections with a full slate of officers and painting “Magnolia Batik” with Alice Dudley. Thanks to Linda Brandt for her hard work for all the calls she made to secure our slate of officers for 2024, no easy task! Thanks to Alice for teaching her batik. Our Fall Paint-In on October 21<sup>st</sup> featured Jennie Bearce teaching her own design as well, “Four Season Gnome Sign”. The gnomes turned out great and we enjoyed getting together to paint. Thanks Jennie!

Plans for Sail Away and the Birthday Luncheon have solidified, please check out the information in this newsletter! And please fill out and send in your registration for the Birthday Luncheon as soon as possible so we can get a headcount. (Flyer is attached to this email.)

I look forward to seeing you all at the November meeting at the Russett (Laurel) library on November 18<sup>th</sup>. It's easy to find, just a skip across the street and down a few blocks from Hobby Lobby.

Paint happy,

Judy

## **Membership Corner:**

***Reminder:** Please renew your membership as soon as possible! Renewals are due by November 1. See the attached renewal form. Those members who renew by the January birthday luncheon will receive a \$10 voucher toward club painting classes.*

In January, I will turn over the reins of 2<sup>nd</sup> VP of Membership to Erin Triplett. I thought I'd take the opportunity to introduce you to our new 2<sup>nd</sup> VP.

### **Erin, How did you become interested in Decorative Painting?**

I have always enjoyed painting! When I was 13, I was able to take some oil painting classes at my local community center and had a blast! I still have one of the pictures in my family room, Another is being held hostage in Seattle, as my mother refuses to give it back to me, "because it is so pretty." But like most teenagers, it's hard to really pursue interests other than school. I took a few painting classes in college, learned a few things here and there along the way. Then, in my senior year of college, I declared "anarchy" (according to my mother), and stayed in Colorado, instead of flying home for Thanksgiving. I spent the entire week painting Christmas presents for my family, ...and of course prepping for college finals. Having that week to myself, helped me to know that I really loved painting, and I have been enjoying it ever since. I've never cared if I'm not the best at it, I just love to paint!

### **Do you have any other hobbies besides painting?**

Well, I like to keep busy, so I have a lot of hobbies. I love to sew and make lots of fun stuff with my embroidery machine. I crochet and cross stitch too. I enjoy cake decorating, and reading a good book, cooking and barbequing all sorts of tasty stuff. I love getting outdoors for some swimming and hiking too. And last but not least, is watching and loudly rooting/ cheering for the San Francisco 49ers while they play football!

### **What do you like about our painting club? What roles do you fulfill or have filled in the past?**

I love our painting club because everyone wants to help everyone else learn new skills and techniques. With being in charge of the memory boxes creation and distribution the last 9 almost 10 years now, we [thanks to Robin] try to teach a new technique or style, or way of doing something each time. I love that this is a goal with many of our projects. It has helped me broaden my painting abilities and learn about things I haven't heard of or tried before. It seems that there is always something new to learn, and I love that our club encourages that exploration and discovery!

### **What can you tell others in the club to encourage them to become involved in the leadership of the club?**

Hmm...just do it! Basically, getting involved is always the quickest way to get to know people, and the club as a whole lot better!!

### **Would you like to share anything else, perhaps a memory of a painting event?**

I love that many of the projects we do in the club, or have seen others complete, or even the fun items that are made for Sail Away and the Birthday luncheon -- I can take those ideas and use them in other parts of my life. Like the little pocket mirrors that were table favors at an event, I later taught that project to my Girl Scout troops. I've been able to teach several painting projects at church and homeschooling activities over the years, using lessons and techniques I learned in club classes. It's been wonderful to share all these fun painting projects with others!

### **Your husband and daughter have been members along with you. What benefits do you see in sharing a hobby together?**

Sharing a hobby together as a family has been a wonderful experience. It's nice to enjoy learning together, and seeing each of us improve, and helping one another along the way. We have each discovered some hidden talents

that we never knew we had by doing different hobbies together. For instance, we discovered John is a much better cake decorator, and landscape painter than I am, and Madylene excels at watercolor painting and clay sculpting. All things we discovered, because we stepped out of normal hobbies to try something else, only to find out we like it and are good at it too! Besides it's fun to do something as a family where we get to slow down and just enjoy what we are doing and being with each other, since the rest of the time we are running around non-stop it seems.

Thank you for sharing with us Erin. I look forward to you being on the CDBP, Inc. board and bringing your enthusiasm for painting to our group.

## Anne Arundel County Fair - September 16, 2023:

This year there were only three of us painting at the fair. Alice and Kathy painted memory boxes while Judy worked on a wedding banner. Judy placed some of her amazing paintings on display. While painting we also chatted with other fair attendees and introduced our work to them. It is always a fun day when painting at the fair.
